

THE WILD OAK

Bar Services

Cash Bar

A cash bar is a bar service where guests are required to pay for their own drinks. Here's a description of what you can expect at a cash bar:

- **Bar Setup:** The cash bar will be inside on our glass bar complete with bartenders, a variety of alcohol options, and necessary bar equipment.
- **Payment Process:** Guests are responsible for paying for their drinks individually. This means they must use cash, venmo or credit/debit cards to settle their bar tabs. The bride and groom will pay the venue service fee and nonalcoholic drink flat fee.
- **Drink Selection:** Variety of spirits, wines, beers, seltzers and non alcoholic drinks

PRICING

- **Pricing for client :** You will be in charge of a flat fee of \$500 for liquor license venue fee + \$3/per person to supply bottomless non alcoholic drinks for all guests.
- **Bartending :** Bartending Fee: \$400
Service duration: 4 consecutive hours of open bar service at the glass bar inside the venue, \$100/hr after 4 hours.
- **Pricing for guests :** Prices for drinks at a cash bar are similar to what one might find at a regular bar or restaurant. We will have a price list and a menu displayed so that guests can see the cost of each drink (see menu). Non-alcoholic drinks will be provided to all guests.
- **Bartending:** Experienced bartenders are on hand to mix cocktails, serve drinks, and ensure responsible alcohol service. There is no bartending fee for a cash bar.
- **Accounting:** Guests are usually required to settle their bar tabs as they go, meaning they pay for each drink individually.
- **Customization:** Couples may have the option to customize the cash bar to fit their theme or preferences. This could include signature cocktails, personalized drink napkins, stirring sticks or cups the client provides, or thematic decorations that The Wild Oak will provide.
- **Communication:** It's essential to communicate to guests that there will be a cash bar at the wedding. This information is typically included in the wedding invitation or on the wedding website so that guests can come prepared with cash, cards, venmo.
- **Servingware :** drinks will be served in nice hardy plastic cups with different shapes.

Ticketed Bar

A ticketed bar is a way to offer drinks to guests while maintaining budget control. Couples will have the flexibility to determine the number of drinks per ticket each guest receives and allow guests to purchase more drinks if desired after the complimentary ones the couple purchases.

- **Pre-purchase:** Couples may have the option to pre-purchase a certain number of drink tickets for each guest.
- **Ticket Distribution:** Guests receive their drink tickets upon arrival at the wedding when they first go to the bar.
- **Redemption:** When a guest wants a drink, they present their ticket to the bartender. The bartender then provides the specified drink.
- **Monitoring:** The bartenders will mark the tickets to keep track of how many drinks each guest has consumed.
- **Additional Tickets:** If guests want more drinks, they can purchase additional drinks at the venue.
- **Closing the Bar:** The ticketed bar will close at a designated time that the couple decides.
- **Pricing :** You will be in charge of a flat fee of \$500 for liquor license venue fee, a bartending charge and a \$3/per person to supply bottomless non alcoholic drinks for all guests. You can choose to then purchase a 1, 2 or 3 alcoholic drink ticket per person drinking.

Alcohol ticket pricing : 1 ticket = \$8, 2 tickets = \$15, 3 tickets = \$21
(guests choose between wine, beer, cocktails)

Non-Alcoholic Drink service per person :

\$3 is charged per guest. This will be for water service, soda, craft soda, mocktails, italian soda throughout the whole service time.

Bartending : Bartending Fee: \$400

Service duration: 4 consecutive hours of open bar service at the glass bar inside the venue, \$100/hr after 4 hours

Includes bartenders, bar backs, and cleanup services

Tab Limit Bar

The Tab Limit Bar is a great option for couples who want to treat their guests to drinks while setting a firm spending limit. This package provides the feel of an open bar, with budget control built in.

How It Works:

- **Pricing :** You will be in charge of a flat fee of \$500 for liquor license venue fee, a bartending charge and a \$3/per person to supply bottomless non alcoholic drinks for all guests. the couple then selects a dollar amount they wish to spend on hosted alcoholic drinks (the "tab").

Non-Alcoholic Drink service per person :

\$3 is charged per guest. This will be for water service, soda, craft soda, mocktails, italian soda throughout the whole service time.

Bartending : Bartending Fee: \$400

Service duration: 4 consecutive hours of open bar service at the glass bar inside the venue, \$100/hr after 4 hours

Includes bartenders, bar backs, and cleanup services

- **Open Bar Experience:** An open bar will be provided to guests until the pre-set tab limit is reached.
- **Tracking the Tab:** Our bartenders will monitor the total in real time to ensure accurate tracking. Once the limit is reached, bar service transitions seamlessly.
- **Cash Bar Transition:** After the tab is met, the bar becomes a cash bar, and guests may purchase their own drinks for the remainder of the event.
- **Bar Closing Time:** The bar will close at the time determined by the couple.
- **Additional Details:**
Couples can customize the bar menu to include beer and wine only, a limited cocktail list, or full bar options—pricing varies accordingly.
You'll be notified as the tab approaches the limit and given the option to extend it during the event if desired.

Open Bar

An open bar at a wedding venue is a generous and hospitable beverage service option that offers a wide range of alcoholic and non-alcoholic drinks to your wedding guests without additional charges. Here's a description of what you can expect at an open bar:

- **Bar Setup:** The bar will be inside on our glass bar complete with bartenders, a variety of alcohol options, and necessary bar equipment. Our bars are designed to be visually appealing, adorned with decorative elements that match the wedding theme or decor.
- **Variety of Drinks:** An open bar offers an extensive selection of alcoholic beverages. This can include beer, wine, spirits, cocktails, and specialty or signature drinks created specifically for the wedding. The drink menu is designed to cater to a wide range of tastes and preferences.
- **Professional Bartenders:** Bartenders are responsible for serving drinks at the open bar. They are trained to mix cocktails, pour wine, and ensure responsible alcohol service.
- **Unlimited Service:** With an open bar, guests can enjoy an unlimited number of drinks throughout the specified timeframe. There are no additional charges for the drinks they order, as the couple has already covered the cost.
- **Guest Convenience:** Open bars are convenient for guests, as they don't need to carry cash or worry about paying for each drink individually. It allows them to relax and enjoy the celebration without financial concerns.
- **Clear Communication:** It's important for couples to communicate the details of the open bar clearly to their guests. This information is often included in the wedding invitation or on the wedding website so that guests are aware of the complimentary bar service and for safe rides home and ID's.
